RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In response to the Notice to File Corrected Application Papers, mailed June 2, 2008, ("Notice") with a two-month period to respond expiring after August 2, 2008, and requiring submission of replacement drawings for Figure 7, Applicants submit a replacement sheet for Figure 7.

In the "Second Request for Continued Examination and Amendment and Response to Final Office Action" filed October 19, 2007 ("October 19, 2007, Response"), Applicants requested Figure 7 to be cancelled. Applicants also amended the specification in order to delete the references to Figure 7, and to change the references to Figure 8 to references to Figure 7. Accordingly, after the October 19, 2007 Response, the present application contained seven drawings, Figures 1-6 and 8, and references to Figures 1-7 in the specification. As requested in the Notice, Applicants submit a Replacement Sheet for Figure 7, which contains Figure 8 amended to read "FIG. 7" instead of "FIG. 8." No new matter is added in the Replacement Sheet.

I hereby certify that this correspondence is being electronically filed with the United States Patent & Trademark Office on June 23, 2008 through its EFS-Web electronic filing system.
